Here is the first cut at the letter for Section 6&7. Many thanks to Bob W. and Mark F. who did the lion's share of the work on this. One thing to note, in Mark's marked up copy he indicated a number of sections that he felt Randy was best equipped to review and comment. Has anyone told Randy about this? (he knows now). I am hoping that they didn't get too much wrong but based on the fact that we had over 80 comments on the plan I am not optimistic.

I will be on vacation from September 9 through September 20. Steve Linder will be reviewing this as well. If you have any comments please be sure to include Steve Linder in any emails.

Bob
